2. Material Support Requirements: Although a firm decision had not been made in regard to establishing this facility at the time, the material requirements, to provide an operational capability, were discussed. A list of items required was compiled and [] was queried as to the availability of these items through his agency.

c. Armament and Ordnance Storage: There are no facilities for storage and handling of munitions or ordnance items at this location. If, eventually, these items were required at this location, storage facilities would have to be built. There is sufficient space on the reservation for a storage area if needed in the future.
